

ROSS MM PREREQUISITE ASSESSMENT FORM

Thank you for your interest in the Ross MM Program. Please provide the following information to have non University of Michigan courses assessed for prerequisite satisfaction. Courses may be complete, in progress or intended at the time of submission. For courses you have not completed, indicate the estimated time of completion in the "Term/Year of Completion" field. Please provide a link to your school's public course catalog in the "Course Web Link" field to confirm course description.

For a course to meet our prerequisite requirements:

- It must be taken in a classroom setting (Courses offered online due to the COVID-19 pandemic will fulfill prerequisite requirements. These courses must have been taken between March, 2020 - July 2021)
- You must earn a grade of "C" or better.
- Students who have earned college credit (as is reflected on your transcript) for AP Calculus AB or AP Statistics will also satisfy the prerequisite.
- Community college course work is acceptable.
- Please send this completed document along with an unofficial transcript.
